In paragraph 2 of this Department's Circular No. 1163/358, dated the 14th November 1918, instructions were issued to the effect that the export of wheat and rice (including paddy) from a province by rail shoul not be permitted except under a certificate countersigned by the - - Director of the Civil Supplies of the exporting province. I am now to explain that this restriction does not extend to exports made under the orders of the Foodstuffs Commissioner for wheat (hitherto known as the Wheat Commissioner) or to supplies moved under certificates issued by the Controller of Contracts. All movements of foodstuffs made under the authority of these officers must be permitted and Directors of Civil Supplies have no authority to restrict or prevent such movements.

Dated Delhi, the 3rd January 191

SIR,

UNDER the orders of the Government of India the Foodstuffs Commissioner has now taken over the control of inter-provincial movements of gram, and all Directors of Civil Supplies should submit to that officer monthly forecasts of their requirements of gram at the same time as they submit the forecasts of their requirements of wheat and rice.

2. I am to say that the export of gram from a province by rail should not be permitted except under a certificate countersigned by the Director of Civil Supplies of the exporting province. This restriction, however, does not apply to movements of gram which are effected under the orders of the Deputy Foodstuffs Commissioner for Wheat (formerly known as the Wheat

Commissioner) or are covered by certificates issued by the Controller of Contracts. The Railway Companies will be instructed by the Railway Board accordingly.
